CAPABILITY STATEMENT

ABOUT US

My Mobility is a woman owned business with over 35 years experience in the Home Medical Equipment, also referred to as Durable Medical Equipment, industry. We are focused on customizing solutions for independent living by utilizing a combination of home medical products and services. Our Home Modifications department is lead by an accredited Certified Aging in Place (CAPS) and Certified Environmental Assess Consultant (C.E.A.C.). In addition to offering a multitude of products and services, My Mobility is also factory trained and certified in the repair and maintenance of home medical equipment.
